Estimate for Rs 225/- for providing a Screen with T frame and plywood-planking ----

Adverting to Government Order No L 11863-9/11 111-46-2 dated 27-2-1947 sanctioning the scheme for the formation of an Industrial Suburb and stating that separate Orders will issue regarding the appointment of a Special Land Acquisition Officer, I have the honour to state that with a view to provide accommodation for the Special Land Acquisition Officer, a big corridor in the present Office building has to be converted into a room for the use of an Officer as there is no separate room in this office building The staff of the Land Acquisition Officer could be provided with accommodation in the available space As this is a rented building no permanent alteration could be effected by putting up walls with door frame etc It is therefore proposed to convert the Corridor in the present rented building into a room by partioning it with wooden screen (T T frame with plywood planking)

Quotations were called for from some of the approved contractors and the lowest quotation received was from Mr P Krishnamaraju at Rs 2-4-0 per sq foot This works up-to Rs 225/- as per estimate enclosed

I request that sanction of Government may kindly be obtained to the estimate referred to above, the cost being met out of the closing balance of the current year's Budget

As the Special Land Acquisition Officer is likely to be appointed very soon and by the time he enters upon his duties a room has to be provided for, I have in anticipation of sanction of Government placed orders with the contractor for executing the work I request that my action may kindly be approved
This accomodation is necessary even otherwise ex
